Sewer Services - Private and Public Property

Division Policies

- If the cause and location of a sewer service blockage can be determined through a sewer service video inspection, charges may be adjusted accordingly.
- The property owner is responsible for charges related to building sewer maintenance crossing both private and public property.
- The term "residential" includes buildings which contain a maximum of three (3) residential units and does not include any other uses such as commercial/industrial/institutional or any combination thereof.
- Property owners are subject to one clearing charge per 12 month period for rodding services only. The 12 month policy does not apply if a clean out, satisfactory to the City Engineer, does not exist on the service and an electric snake is used to clear a blockage.

Building Sewer Clearing and Other Services

- The City cannot provide a copy of any video taken of a property owner's sewer service.
- Tree roots are charged as one charge per 12 month period for rodding only. The 12 month policy does not apply when clean out does not exist and an electric snake is used.
- Charges for clearing blockages on public property (road allowance) will be subsidized up to 100% only if there is a clean out, satisfactory to the City Engineer, on the sewer service. Charges for drain clearing will be forgiven only after the property owner installs a clean out, satisfactory to the City Engineer, on the sewer service and/or repairs any building sewer obstruction on the private side.
