## **Notes to the Reader**

The rates and fees contained within this document represent costs for specific activities. The total cost for a project, permit, application or service may involve multiple activities and therefore may be higher than any single activity listed. For guidance on the total cost of a project, permit, application or service, please contact the appropriate municipal staff.

CITY OF ST. CATHARINES

BY-LAW NO. 2021-101

A By-law to impose certain rates and fees charged by The Corporation of the City of St. Catharines with respect to certain administrative matters.

WHEREAS the Council of The Corporation of the City of St. Catharines has, pursuant to various authorities, the right to impose fees with respect to certain administrative matters from time to time;

AND WHEREAS since it is the intention of this Council to review and pass a yearly by-law to establish fees, that by giving the required public notice and holding a public meeting, The Corporation of the City of St. Catharines has complied with the statutory notices required, and notice of the said by-law was posted to the City of St. Catharines website on May 21, 2021 and the public meeting was held on June 14, 2021;

NOW THEREFORE THE COUNCIL OF THE CORPORATION OF THE CITY OF ST. CATHARINES enacts as follows:

1. That the goods and services described in Schedule "A" attached hereto shall be provided by The Corporation of the City of St. Catharines upon the payment of the fee for such goods or services as described in Schedule "A".
2. This By-law shall be deemed to supercede and replace By-law No. 2020-102 and amendments thereto.
3. That this By-law shall come into force and take effect on January 1, 2022.
4. The provisions contained in Schedule "A" attached hereto which require approval of any authority other than the Council of The Corporation of the City of St. Catharines shall come into force and effect upon receipt of such approval.

5. That where this By-law establishes a fee for the provision of goods or services that is established by another by-law of The Corporation of the City of St. Catharines existing as of the effective date of this By-law, the fee established by this By-law shall supersede and be the applicable fee or rate for the provision of goods or services established by that other by-law.

6. That where Harmonized Sales Tax (HST) and/or Retail Sales Tax (RST) are applicable to a fee established by this By-law, the amount of the applicable tax be included in the amount shown under the column titled "Fee" applicable to that fee in Schedule "A" attached hereto.

7. That where a surcharge is applicable to a fee established by this By-law, the amount of the surcharge is not included in the amounts shown under the column titled "Fee" in the tables contained in Schedule "A" attached hereto.

Read and passed this 28<sup>th</sup> day of JUNE 2021.

### Sewer Services - Private and Public Property

#### Division Policies

- If the cause and location of a sewer service blockage can be determined through a sewer service video inspection, charges may be adjusted accordingly.
- The property owner is responsible for charges related to building sewer maintenance crossing both private and public property.
- The term "residential" includes buildings which contain a maximum of three (3) residential units and does not include any other uses such as commercial/industrial/institutional or any combination thereof.
- Property owners are subject to one clearing charge per 12 month period for rodding services only. The 12 month policy does not apply if a clean out, satisfactory to the City Engineer, does not exist on the service and an electric snake is used to clear a blockage.

#### Building Sewer Clearing and Other Services

- The City cannot provide a copy of any video taken of a property owner's sewer service.
- Tree roots are charged as one charge per 12 month period for rodding only. The 12 month policy does not apply when clean out does not exist and an electric snake is used.
- Charges for clearing blockages on public property (road allowance) will be subsidized up to 100% only if there is a clean out, satisfactory to the City Engineer, on the sewer service. Charges for drain clearing will be forgiven only after the property owner installs a clean out, satisfactory to the City Engineer, on the sewer service and/or repairs any building sewer obstruction on the private side.

#### Public Property (Road Allowance)

#### New Building Sewer Connections or Replacements (Storm or Sanitary)

- Charges for new building sewers apply to either storm or sanitary service connections, include a connection to the main sewer, the installation of the service from the main sewer to the property line, installation of a clean-out and the associated restoration works and must be pre-paid.

- The policy of Council and the charges in this schedule are based on a main sewer being available somewhere within the frontage or flankage of the property. Subject to approval from the City Engineer, other situations may be charged based on actual cost. The fee will be based on an estimate prepared by the City Engineer, will reflect actual site conditions, may include the extension of an existing main sewer and must be pre-paid.

- Charges for new building sewers greater than 150mm diameter in size will be based on actual cost/job specific costing.

- The fee will be based on an estimate prepared by the City Engineer, will reflect actual site conditions, will include the cost of a manhole (where applicable) and must be pre-paid. Should the actual cost be greater than the estimate, the property owner shall be invoiced for any additional costs incurred. Should the actual cost be less than the estimate, the property owner will be refunded the difference.

- Rates are based on open cut installations in material which can be removed by equipment normally used by City Forces for the work. Installations requiring rock excavation, or any form of boring or tunneling will be charged at actual cost.
