Most properties in St. Catharines are taxed at the Urban Rate
City Urban = Street Lights and Transit

To arrive at the tax amount, multiply the property's Assessed Value by the applications tax rate and the BIA rate if necessary. Add any applicable Local Improvement levies to the two amounts.

Sample Calculation for a Residential Property
 $\$254,000 \times 1.432167/100 = \$3,637.70$

BIA applies only to specific properties in the Downtown Core and the Port Dalhousie Improvement Area Capped Billings.

LOCAL Improvement amounts are calculated separately and shown on the Final Tax Bill.

Inquires regarding property taxes should be directed to Citizens First at 905.688.5600.
