

February 2026

NOTICE OF PUBLIC INFORMATION CENTRE

P24-062 Lloyd Street Reconstruction

The City of St. Catharines is planning to carry out the reconstruction of:

- Lloyd Street from Rykert Street to St Paul Street West

This will include a new road platform consisting of a new asphalt roadway, curbs, replacement of sidewalks, watermain and sanitary sewer replacement and storm sewer installation. The work is planned to be completed in 2026.

The project is being planned in accordance with **Exempt Projects** of the Municipal Engineers Association (MEA) Municipal Class Environmental Assessment (Class EA) guidelines (October 2000, as amended in 2007, 2011, 2015 & 2023), which is approved under the *Ontario Environmental Assessment Act*.

A **Public Information Centre** (PIC) has been arranged to provide an opportunity for individuals, interest groups and agencies to review the proposed design drawings. The City of St. Catharines and Consultant Staff will be present to answer questions and discuss the project. The PIC will be conducted in an open house format, with residents welcome to drop in anytime between the hours below. There will not be a formal presentation made. The Information Centre will be held on:

Date: **March 11, 2026**
Time: **5 pm to 7 pm**
Location: **City Hall**
Burgoyne Woods Room (3rd Floor)
50 Church Street, St. Catharines

Your opinion counts. You are encouraged to attend the **Public Information Centre**. If you are unable to attend, require additional information or have any questions regarding this project, please contact either of the individuals identified below. With the exception of personal information, all comments will be part of the public record.
