

# How to Get Your Residential Beach Parking Pass Website Guide

#### **Overview**

The City has retained HotSpot to facilitate the Residential Beach Parking Program, since 2024. HotSpot is a Canadian-owned and operated parking services provider and is utilized by dozens of Canadian municipalities.

While HotSpot offers a wide variety of parking services, the City of St. Catharines will only be utilizing their "Special Permit" option for our Residential Beach Permits at Lakeside and Sunset Beaches.
