Fun fact

The Lake Ontario Waterfront Trail stretches 900 km from Niagara-On-The-Lake to the Quebec border.

Trails

stcatharines.ca/Trails

Walking. Cycling. Jogging. There are many ways to enjoy the more than 90 kilometres of trails connecting neighbourhoods across St. Catharines.

Explore the Garden City

Our trail network ranges from paved, multi-use surfaces, such as the Welland Canals Parkway Trail, to stone dust pathways, like the Participark Trail. Residents can also enjoy sections of the Bruce Trail, a meandering footpath that follows the Niagara Escarpment through St. Catharines.

Trail etiquette

- Always pass on the left (when possible)
- Cyclists yield to in-line skaters and walkers
- In-line skaters yield to walkers
- Always pass other trail users with care and caution
- Leave the trails cleaner than when you arrived
- Respect the privacy of those living along the trails
- No motorized vehicles on trails
- Dogs must be leashed. Clean up after your dog

Trail safety

- Pedestrians always have the right of way on a trail
- In areas where a trail crosses a roadway, all users must yield to vehicular traffic
- When travelling on the roadway, cyclists must obey traffic laws. Pedestrians must use the sidewalk or travel on the shoulder of the road facing oncoming traffic
- Under no circumstances should anyone trespass on train tracks
- Always read and follow signs on trails
- Please be aware that trails are not maintained in winter
- Call Citizens First at 905.688.5600 to report trail maintenance concerns
